## Writ of Claim For Deprivation of Rights Under Color Of Law

I am not an attorney, nor do I want to be, but what I can speak on is the harm and sustained injury done me by men and women and their persons against my rights, interest, and physical body.

They are a rogue entity, and I have seen for myself the damage they have done to others in my racial group.

There is no justice here and these men and women routinely engage in crimes against humanity, men and women, the People whom they all took an oath to serve and uphold the Constitution for the United States of America.

They follow no Law, abuse authority, are completely rogue.

If anyone is unclear to the True Law of the Land, then kindly consent your Risk Management and General Counsel for guidance.

Anything against the Constitution, notwithstanding.
